WHY
CBHL?

**We don't make leaders,
we make leaders better**

Our Vision

Leaders are inspired, effectively collaborating with community and applying innovative strategies grounded in equity to address behavioral and other complex health needs.

Our Guiding Principles

- Promote a culture of diversity, equity and inclusion
- Foster innovation to inspire transformation
- Nurture collaboration across sectors and with community
- Facilitate connections with leadership
- Inspire communities to step into power

Our Mission

We provide leaders with the inspiration, tools, knowledge and professional connections to drive transformative change by:

- Creating an environment that allows for sharing of best practices, resources, experience and lessons learned across all levels of leadership and sectors;
- Seeking out members who bring diversity of thought, leadership experience, training, expertise and multi-sector representation;
- Providing an enriching space to facilitate direct connections, provocative conversations and ongoing collaboration between members.
